THOMSON REUTERS PROJECTS

Unrivalled data, analytics and tools to serve your project intelligence needs.
Why Thomson Reuters Projects?

With the pace of change accelerating and disruption becoming a constant, the construction industry is now more complex, sophisticated and competitive than ever before. Players within this ecosystem need reliable information, transparency and actionable insight to gain an edge.

Thomson Reuters Projects is our new platform that empowers you with the project intelligence you need to stay ahead of the competition.

WHAT MAKES US DIFFERENT?

#1 IN TRUSTED CONTENT
Thomson Reuters is the world’s most trusted source of news, data and insight. For projects, we have taken a revolutionary approach to procuring content – maximizing coverage and depth while ensuring the highest levels of factual integrity.

YOUR PARTNER FOR INTELLIGENCE
With our network of journalists, team of researchers, industry partnerships and the best client support in the business, we are ideally positioned to keep your finger on the pulse – enabling you to act on opportunities ahead of the competition.

ANSWERS TO THE QUESTIONS THAT MATTER
We’ve listened to you and tailored our solution to fit your exact needs. Now, you can focus on what matters most, whether that involves finding new opportunities, accessing the alerts and news you need to stay informed, analyzing the market, controlling costs, mitigating risks or planning your next move.

THE POWER OF THE BRAND
Leverage the full extent of Thomson Reuters’ expertise, capabilities and technology by tapping into bespoke indices, analytics, risk management solutions, regulatory insight, project financing, interactive supply chain mapping, exclusive satellite imagery and thought leadership forums that are tackling the issues transforming the market today.

WHAT YOU CAN DO?

GENERATE PROJECT LEADS AND INCREASE SALES
Gain direct access to the decision-makers through the region’s most comprehensive projects, companies and contacts database. Browse and compare over 42,000+ companies, 415,100+ contacts, 15,300+ projects and 181,000+ tenders to find exactly what you need.

STAY AHEAD OF THE COMPETITION BY TURNING DATA INTO INSIGHT
Stay informed of the latest market moving news and research with access to 80+ regional and international news providers, and 33+ leading research providers. Use our robust analytical tools to evaluate project opportunities and industry players.

MITIGATE YOUR RISKS AND MANAGE YOUR COSTS
Get visibility of the entire project’s value chain and understand the relationships between participants. Use historical cost and performance benchmarking with our KYC tools to gain the transparency needed to manage risk and cost more effectively.

STAY AHEAD OF THE COMPETITION BY TURNING DATA INTO INSIGHT
Increase your return on investment by analyzing planned developments to understand where best to allocate resources. Stay on top of market trends; generate reliable forecasts using our geographic, sector project and company information; and get a better understanding of how to expand your business.
